

New houses in Westbourne - where should they go?

We now need **YOUR** feedback as to which sites you like and which you don't like. We need to find 25 houses in total. Below is a score card for all the sites that are on display.

Please score them on a **1** to **5** scale in the boxes alongside the site name. A score of **1** is for sites you **don't** like at all, rising to **5** for sites you **do** like, so rate them as follows:

- 1 Unacceptable**
- 2**
- 3**
- 4**
- 5 Acceptable**

Please enter your complete name, address and postcode below so that, if necessary, we can later prove to the Neighbourhood Plan Inspector that you are a Parish resident and so entitled to vote.
