

## WESTBOURNE NEIGHBOURHOOD PLAN

Westbourne Parish Council has to find land on which 25 new houses can be built up to 2029. Three sites have been selected from those presented to the community in July 2015. The Council has also tried to respond to residents' wishes for Westbourne to remain a vibrant, distinctive, rural community.

### THIS AFFECTS YOU & THE FUTURE OF THE PARISH

We now need you to comment on the draft Neighbourhood Plan which will be revised where possible to respond to the points raised.

Please give us your comments. It is very important that as many Parish residents as possible give us their feedback on the draft Plan proposals, including the sites that have been selected, and let their feelings be known.

**Please write your comments overleaf and hand this card back to the venue.**
