

Polite Parking Notice

You may have parked illegally or inappropriately.

Your vehicle may be blocking the road and/or pavement for other road users and pedestrians.

We respectfully ask that you find another place to park.

We thank you for your cooperation.

Westbourne
Parish Council

Illegal and inappropriate parking is a concern to many in Westbourne. It can cause problems for other vehicles, pedestrians and cyclists, and it can put the safety of others at risk.

- Parking on the pavement reduces space for pedestrians, especially those with pushchairs or mobility issues, and can force them into the road.
- Parking in front of dropped kerbs blocks crossing points for people with pushchairs and mobility issues.
- Parking on corners or on double yellow lines can block the road for others, including emergency vehicles.
- Parking in front of driveways encourages others to do the same. Residents need to be able to leave their driveway.

Please help tackle these issues by parking considerably.
