LOCAL AUTHORITY ACCOUNTS: A SUMMARY OF YOUR RIGHTS

Please note that this summary applies to all relevant smaller authorities, including local councils, internal drainage boards and 'other' smaller authorities.

The basic position

By law, any interested person has the right to inspect the accounting records of smaller authorities. If you are a local government elector or registered to vote in the local councils' elections, then you are able to ask questions about the accounts and object to them.

The right to inspect the accounting records

When your council has finalised its accounts for the previous financial year, they must advertise that they are available for people to inspect. You must then provide the council with reasonable notice of your intentions. Following this, by arrangement you will then have 30 working days to inspect and make copies of the accounting records and supporting documents. You may be required to pay a copying charge.

The right to ask the auditor questions about the accounting records

If you have any questions regarding the accounting records, you should first ask your smaller authority. This must be done during the 30-day period for the exercise of public rights. You may also ask the appointed auditor questions about an item in the accounting records. However, the auditor can only answer 'what' questions, not 'why' questions so is limited with their response. To avoid any confusion, it is advised that you put your questions in writing.

The right to make objections

Should you view something as unlawful or believe there are matters of wider concern in the accounts, you may wish to object. If you are a local government elector, you have the right to ask the external auditor to apply to the courts for a declaration that an item is contrary to the law and should be reported as a matter of public interest. This must be done by telling the appointed auditor which specific item in the accounts you object to and why you believe it to be unlawful or think a public interest report should be made about it. You must provide clear evidence to support your objection, and this should be done in writing and the copied to the council.

You should not use the 'right to object' to make a personal complaint or claim against your smaller authority. Complaints of this nature should be taken to your local Citizens' Advice Bureau, local Law Centre or to your solicitor.

A final word

Smaller authorities, and so local taxpayers, meet the costs of dealing with questions and objections. In deciding whether to take your objection forward, the auditor must consider the cost that will be involved. They will only continue with the objection if it is in the public interest to do so. If you appeal to the courts against an auditor's decision, you may have to pay for the action yourself.

4. An authority with either gross income or gross expenditure exceeding £25,000 or an authority with neither income nor expenditure exceeding £25,000, but which is unable to certify itself as exempt, or is requesting a limited assurance review, **must** return to the external auditor by email or post (not both) **no later than 30 June 2025**. Reminder letters will incur a charge of £40 +VAT:

- **Section 3 - External Auditor Report and Certificate**
- **Sections 1 and 2 of AGAR** including any amendments as a result of the limited assurance review. It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

The Annual Governance and Accountability Return constitutes the annual return referred to in the Accounts and Audit Regulations 2015. Throughout, the words 'external auditor' have the same meaning as the words 'local auditor' in the Accounts and Audit Regulations 2015.

Guidance notes on completing Form 3 of the Annual Governance and Accountability Return (AGAR) 2024/25

- The authority **must** comply with *Proper Practices* in completing Sections 1 and 2 of this AGAR. *Proper Practices* are found in the *Practitioners' Guide** which is updated from time to time and contains everything needed to prepare successfully for the financial year-end and the subsequent work by the external auditor.
- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.

If the authority holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree the bank reconciliation to Box 8 on the accounting statements (**Section 2, page 5**). An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.
- Explain fully significant variances in the accounting statements on **page 5**. Do not just send a copy of the detailed accounting records instead of this explanation. The external auditor wants to know that you understand the reasons for all variances. Include complete numerical and narrative analysis to support the full variance.
- If the bank reconciliation is incomplete or variances not **fully** explained then additional costs may be incurred.
- Make sure that the accounting statements add up and that the balance carried forward from the previous year (Box 7 of 2024) equals the balance brought forward in the current year (Box 1 of 2025).

Section 3 – External Auditor's Report and Certificate 2024/25

In respect of

Westbourne Parish Council

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor's limited assurance opinion 2024/25

(Except for the matters reported below)* on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met. (*delete as appropriate).

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

(continue on a separate sheet if required)

3 External auditor certificate 2024/25

We certify/do not certify* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2025.

*We do not certify completion because:

Explanation of difference (if applicable):			

Column B - Each reserve should be renamed to show the specific purpose / name given by this authority

Column D - Earmarked items - a value for the amount earmarked for each specific reserve should be entered. The number can be reduced or extended as appropriate.

Earmarked items are reserves carved out from general reserves. They may have come from donations that can be used for other than the Council has designated/declared that they are being held for a specific purpose.

NB: A Council needs to formally designate and minute decisions to earmark funds. And similarly, if the Council changes its mind for which they have not been designated, the Council needs to take a decision to un-designate/re-designate. The Council should review to ensure the Council are holding appropriate levels of funding and using it as the Council intend.

Column D - Ring-fenced items - a value for the amount restricted (ring-fenced) for each specific reserve. The number can be reduced or extended as appropriate.

Ring fenced items are reserves which may have been raised or donated to the Council for a specific purpose. For example, S106 would be ringfenced as there are limitations on what it can be used for.

Column D - General reserves - this should relate to normal operating funds (reserves held for the general purposes of the Council). It should be the difference between the total of all Earmarked reserves and Restricted (ring-fenced) reserves.
