- 3. Minutes of the meeting on 19 November 2020: The minutes were agreed to be a true record and were signed as such by the Chair.
- 4. Issues and updates from the minutes of 19 November 2020: None.
- 5. Update on projects around the Parish: Members made the following comments.
- <u>VE Day 75 commemorative bench</u>: Members noted that the newly installed bench in The Square was being well used. The cycle stands would be reinstalled in in the next week once Longmeadow's generator was repaired.
- <u>Village gateways</u>: Cllr Hitchcock agreed to contact Mr Marshall to identify
 locations for the gateways in Aldsworth. These locations would then be discussed
 with WSCC Highways to find out if they were appropriate. It was discussed that
 residents in Woodmancote should be consulted to see if they would like
 gateways at the three entrances. It was noted that both projects would need to be
 recommended to Full Council for approval.
- <u>CCTV</u>: It was agreed to recommend to Full Council that the public consultation on CCTV for The Square in Westbourne should be carried out in May after the County Council election. It was discussed that the costs would need to be considered again, a discussion with Sussex Police was required to find out about the rules and regulations, and discussions with businesses was needed to see if they would still like CCTV. It was noted that although the Council had agreed to go ahead with the consultation in late 2019/early 2020, it was over a year since it was last discussed. The Clerk advised that the Council should be clear on the work involved before the consultation started. The Clerk said that she was concerned about additional administration as she was already working to capacity.
- SIDS It was noted that Cllr Magill was in contact with WSCC Highways to install the posts for the SIDs in Aldsworth and it was hoped the work would be

- completed in the next few months. Cllr Mack said the SID on Monk's Hill was not working and he was looking into this.
- <u>Community Speedwatch Group</u>: It was discussed that with the easing of lockdown restrictions, the group could start working from 29 March but some of the members preferred not to start work until later in the year.
- Highways issues and parking in The Square: It was discussed that the petition for a speed limit reduction on Monk's Hill had received roughly 400 signatures.
 Members would like to try and increase this number and it was discussed that more could be done to encourage people to take part as Covid restrictions are eased. This could include putting copies in village businesses and speaking to people using the recreation ground.
- Trees and tree champions: It was discussed that the newly planted trees in Edgel, Churcher and Homefield Road needed to be regularly watered over the summer months to help them survive. It was agreed that Greening Westbourne would support with this by helping to find residents who lived nearby who would water the trees. It was noted that there were vacancies for Tree Champions and information had been put on the website and Facebook and an article included in the Westbourne Magazine to encourage people to apply.
- <u>Defibrillators</u>: There was no further update on the defibrillators in Westbourne. Cllr Pearcey agreed to speak to Woodmancote Residents' Association to check that their defibrillator was being well looked after.
- Westbourne's buses: No further update.
- <u>Noticeboards</u>: Cllr Briscoe said he had spoken to the landowner of the grass triangle in Woodmancote and he was happy for a noticeboard to be placed on it. The Clerk asked members to let her know what sort of noticeboard they would like (as they ranged in styles and prices) and the Council could consider this.
- <u>Fingerposts and street lights</u>: It was agreed that the fingerposts were looking dirty and a work party of village volunteers could be held to clean the fingerposts. The Clerk said she had contacted Tim Ralph about the Council's ongoing programme of work to the fingerposts but she had not received a reply yet.

- Grit bins: No further update.

- 6. Monk's Hill recreation ground charity: Westbourne Parish Allotment for Exercise and Recreation (Charity Commission number 265105):
- Members discussed drainage issues at the playground which resulted in its closure in February and March 2021. It was agreed to get three quotes to find out how much it would cost to improve the drainage system and unblock some of the pipes. It was also discussed that WSCC Highways might be able to do a drainage survey although this could be at cost. It was discussed that the removal of the large ash trees may have had an impact, as well as the base for the large climbing frame and the development north of the boundary line. Cllr Ricketts said he would be opening the playground again and that Longmeadows would be spreading the new playback before the Easter school holiday.
- Members considered the Kompan inspection report from January 2021 and the latest report from the playground inspector. It was noted that there were some low risk issues that could be repaired by a handyman. The Clerk said she would contact Longmeadows to find out if they could help. It was also discussed that a volunteer may be able to help with ad hoc repairs. It was discussed that the bank next to the slide had deteriorated again and the Clerk suggested moving the steps nearer to the slide to prevent children from running on the grassed area. The Clerk agreed to contact Longmeadows to find out a price. Cllr Ricketts also said he had a smaller slide which could also be put on the mound.

- The Clerk had written the copy for the interpretation board which had been circulated to members for comments. This had been sent to the designer and a first proof would be circulated for comment shortly. The Clerk was still to place the order for the benches.
- It was agreed that a 3-4m strip of grass would be left uncut around the edge of the recreation ground to help support flora and fauna.
- Cllr Ricketts said he would contact Monster Creative to produce new telephone number plaques to cover the existing.
- The Clerk said that the solicitor had been in contact about the land registration. The Land Registry had acknowledged the application to register the land and had a minor question about the value of the land.

- Members consider the Kompan inspection report from January 2021 and the latest report from the playground inspector. It was noted that there were some medium-risk issues that needed to be rectified and Cllr Ricketts said that he would go to the site to see if he could mend them. If not, it was agreed that Longmeadows could be asked to support or the Parish Council could recruit either a volunteer or a paid employee to support with regular repairs. It was noted that the barrier that had been vandalised would be removed in the next week by Longmeadows.
- Frank Campbell, Chair of the Westbourne Community Trust, had provided an
 updated on redevelopment of the recreation ground and sports/exercise/play
 equipment before the meeting. He said that if planning permission was granted,
 the WCT would be tendering for construction of the scheme in autumn 2021.
 Once work started, some of the equipment would need to be removed and it
 would not be replaced until towards the end of the scheme, which would be late
 2022 or into 2023.
- Members discussed the side fence at 56 Mill Road, Westbourne. It was agreed that the Council should patch up the gaps. Cllr Ricketts would speak to Longmeadows to see if they could help with this.

Table to be produced for each infrastructure delivery commissioner:

The information provided will inform future versions of the IDP, and will feed into the production of a five year rolling Infrastructure Business Plan.

Infrastructure Category (from above list)	Scheme (description)	Justification/ rationale	Phasing (when)	Total estimated infrastructure cost	Sources of funding, showing amounts from each source & any shortfalls	Delivery lead (who/how)
Transport	Village car park	A car park that can be used by residents, visitors and businesses. The main roads in Westbourne are increasingly congested (due to the type of housing, increase of population in the local area and volume of passing traffic). A car	2019-22		The Parish Council has set aside earmarked reserves and will be working in partnership with the Westbourne Community Trust.

Transport	Speed reduction schemes	Westbourne Parish is experiencing much passing traffic through the main roads of the village due increased traffic in the local area. Improvements to road layouts, double yellow lines to prevent parking and prevention of HGV's using the narrow roads. Also use of speed indicator devices			
Transport	Street lights	Street lighting. Some of the heritage lamps in the conservation were	2019-20

Social infrastructure	CCTV	CCTV at Monk's Hill recreation ground car park to prevent antisocial behaviour and fly tipping which has increased in recent years. Possibly at other locations in the village also, such as Long Copse Lane and Mill Road recreation ground car park, and the allotments.
