Westbourne Surgery

Scene setting

During the Pandemic we have used the Westbourne branch as the Green Hub, serving shielding and vulnerable patients, delivering children's vaccinations etc.. It was valuable to have the second site, although the focus in the last 2 years was on the move of the Emsworth surgery to the new premises which we are relieved to have finally achieved.

We have made additional upstairs space at Westbourne by moving old notes to secure NHS storage, and used this to accommodate staff who were vulnerable and needing to work on their own during Covid. This space needs total refurbishment.

Moving forwards there are challenges at the branch in Westbourne. We have 3 clinical rooms downstairs and 3 potential administrative rooms upstairs.

Security and lone working

Staff have expressed concern about lone working there, both from a personal safety point of view but also in terms of adequate clinical support. Gone are the days of the single handed GP working unsupported, this is not acceptable to the clinician or the population.

Recruitment of <u>clinical staff</u> has been very difficult over the last 2-3 years, adverts basically unanswered. We have some new appointments now but are only replacing departing/retiring staff still. There is light at the end of the tunnel, we have several new appointments being made for new clinical staff later this year. The smart new premises at EMP are now proving attractive.

Security is being addressed currently with CCTV and new automatic opening doors planned.

2. Development

The development of the PCN has meant that we have a large number of new staff who are in <u>support</u> roles. They do not need clinical rooms, and currently the clinical rooms at Emsworth are already at capacity on occasions because of this, we have trainees and medical students and have continued our teaching/training roles throughout the Pandemic, something we are proud of.

The Emsworth site does not have extra office space and we could easily use the upstairs space at Westbourne to house reception staff, pharmacy staff, social prescribers, frailty coordinators etc.

There are 2 rooms upstairs needing redevelopment. They were cleared of notes and shelving and need redecoration and some remodelling, but would be ideal to allow this expansion. This is already GMS space and can be repurposed.

3. Patient numbers.

Since the move to the new site the patient numbers have already increased by 1000. There is new housing all around Emsworth and Westbourne.

Proposal

- 1. To ask the CCG if we can change opening hours to mornings only Monday to Friday on a temporary basis. We are already closed on Wednesday and Friday afternoons there. This would allow building work to take place in the afternoons, meaning that the surgery is not closed during refurbishment.
 - This requires consultation with the local community and their backing.

 The aim would be to be able to extend opening hours when staffing levels improve.
- 2. To staff Westbourne FULLY in the mornings with reception, and 3 clinicians able to provide a full range of usual services. This would allow safe working and good local provision of services again.
- 3. To redevelop upstairs to allow permanent administrative space in 3 rooms, specifically aimed to accommodate the extra PCN support staff.
- 4. To redecorate the surgery, install new windows to improve energy efficiency. These would be like for like wooden sash windows in keeping with the village square. To install security features, CCTV and double opening front doors.

Minutes of Westbourne Parish Council's Public Services Committee which took place on Thursday 24 March 2022 at 7.00pm at The Meeting Place, North Street, Westbourne.

Present: Cllr Lade Barker, Cllr Roy Briscoe, Cllr Jane Gould, Cllr Richard Hitchcock, Cllr David Mack and Clare Kennett, Clerk to the Council

Meeting chaired by Cllr Mack. No members of the public were present.

- 1. Declarations of interest in the items on the agenda: None.
- 2. Apologies for absence: Cllr Lade Barker and Cllr Nigel Ricketts.
- 3. Minutes of the meeting on 18 November 2021: The minutes were agreed to be a true record and were signed as such by the Chair.
- 4. Issues and updates from the minutes of 18 November 2021:

Item 4.7: It was agreed not to form a business association as this time, unless businesses showed more interest. The Clerk said that the aerial photos from Compass Photography would soon be available on the website and there was the option of putting markers on the photos to show the location of businesses, which could be developed to include virtual tours or links to webpages. The village website was discussed as there had been some comments that it was out of date. Members discussed hosting the community and business pages on the Parish Council website and it was agreed that a conversation with Anna Tonkin about this was needed.

Item 5: The final proof of the information board to go outside the Co-op had been circulated to the Parish Council and it was agreed that it was ready for print.

Members thanked Daniel Tidbury for his help and support in delivering the project which would be a good focal point for the village.

5. Highways issues in Aldsworth: Cllr Hitchcock reported that the SID on Emsworth Common Road was working and recording data, and the ditch and culvert on Aldsworth Common Road had been cleared by WSCC but the drains were still blocked outside Aldsworth Stud. It was discussed that the overgrowth on the pavements in Aldsworth needed to be cleared and that this was the responsibility of WSCC, not the Parish Council or District Council. The matter would be brought to Cllr Andrew Kerry-Bedell's attention to take forward with Highways who had suggested that volunteers could be covered under the Parish Council's public liability insurance. However, as highways is not part of the Parish Council's duties, it was unlikely that the insurance could be used. It was noted that the village gateways and horse signs for Aldsworth still needed to be progressed. It was discussed that there were a frequent number of accidents at the bends in Aldsworth, but because there were no injuries, they were not reported to WSCC who were consequently unware of the issues.

6. Update on projects around the Parish: Members discussed the following:

<u>Village gateways</u>: It was agreed they needed a clean and it was discussed that a window cleaning company, or similar, could possibly help. Cllr Mack said he would speak to a company to see if they could help.

SIDS: No further update.

<u>Community Speedwatch Group</u>: It was discussed that more volunteers were needed and the group would continue to look for more helpers.

Highways issues and parking in The Square: Cllr Briscoe said that work was underway to see if HGVs could be prevented from driving through Westbourne. He explained that Foxbury Lane was a designated lane and needed to be 5.5m wide to allow safe passage of vehicles. However, some sections were only 4.1m wide and this information needed to be passed to WSCC Highways. If an HGV restriction was put in place, delivery vehicles would still be able to access local businesses but everything else would be prohibited. It was discussed that traffic counters may be required to identify how many HGVs travel through the village at a cost of around £600. It was agreed that photos and videos from residents and letters of support would be helpful for a TRO application. It was discussed that a petition could be made with hard copies available in local businesses.

<u>Trees and tree champions</u>: It was noted that new trees were being planted at Monk's Hill following funding from CDC for the Queen's Platinum Jubilee. Cllr Hitchcock said the trees on Edgell Road were doing well and that a letter may need to be sent to those who adopted a tree to remind them to keep looking after them.

Defibrillators: No further update.

<u>Westbourne's buses</u>: It was noted that Cllr Andrew Kerry-Bedell was progressing the new community minibus service.

Noticeboards: Cllr Briscoe agreed to look at suitable noticeboards for Woodmancote.

<u>Fingerposts and street lights</u>: The Clerk needed to speak to Tim Ralph, Ralph Restorations, about the damaged fingerpost sign at Aldsworth and the continued programme of renovations.

<u>Flooding</u>: It was discussed that Woodmancote Lane regularly flooded and it had been reported to Highways for investigation. It was noted that Long Copse Lane still flooded with run off from the nearby development and local fields.

Grit bins: No further update.

Benches: No further update.

- 7. Announcements and items for the next meeting: None.
- 8. Date of next meeting: The next meeting of the Committee is scheduled to be held on Thursday 16 June 2022 at 7pm.

Meeting closed at 8pm.

PO Box 143 Emsworth PO10 9DX

07775654483 clerk@westbourne-pc.gov.uk

Minutes of Westbourne Parish Council's Recreation Leisure and Amenities Committee which took place on Thursday 24 March 2022 at 8.00pm at The Meeting Place, North Street, Westbourne.

Present: Cllr Roy Briscoe, Cllr Jane Gould, Cllr Richard Hitchcock and Clare Kennett, Clerk to the Council

Meeting chaired by Cllr Hitchcock. No members of the public were present.

- 1. Declarations of interest in the items on the agenda: None.
- 2. Apologies for absence: Cllr Lade Barker and Cllr Nigel Ricketts.
- 3. Minutes of the meeting on 18 November 2021: The minutes were agreed to be a true record and were signed as such by the Chair.
- 4. Issues and updates from the minutes of 18 November 2021: Item 4: It was discussed that Longmeadows had agreed to do a number of small repairs at the playgrounds and the Clerk would ask for a progress update.
- <u>5. Monk's Hill recreation ground charity: Westbourne Parish Allotment for Exercise</u> and Recreation (Charity Commission number 265105):

It was noted that the spring Kompan inspection had not yet taken place and members agreed that there were no urgent outstanding issues from the last report. Drainage works were underway at the playground and it was hoped that it would be completed the following week. The Clerk confirmed she had asked Longmeadows to install the path near Covington Road and was waiting for a start date.

6. Mill Road recreation ground:

It was noted that the spring Kompan inspection had not yet taken place and members agreed that there were no urgent outstanding issues from the last report. Members discussed the condition of the MUGA which has some rust corrosion and it was agreed that the structure was stable enough for the short-term, at least until the District Council has made a decision on WCT's proposals for new affordable homes and new playground for the site.

- 7. Announcements and items for the next meeting: None.
- 8. Date of next meeting: The next meeting of the Committee is scheduled to be held on Thursday 16 June 2022 at 8.00pm.

Meeting closed at 8.40pm.

PO Box 143 Emsworth PO10 9DX

07775654483 clerk@westbourne-pc.gov.uk

Minutes of Westbourne Parish Council's Strategy and Finance Committee which took place on Thursday 31 March at 7.00pm at The Meeting Place, North Street, Westbourne.

Present: Cllr Lade Barker, Cllr Kim Franks, Cllr Jane Gould, Cllr Richard Hitchcock, Cllr David Mack, Cllr Mike Magill and Clare Kennett, Clerk to the Parish Council.

Meeting chaired by Cllr Hitchcock. No members of the public were present.

- 1. Declarations of interest in the items on the agenda: None.
- 2. Apologies for absence: Cllr Nigel Ricketts.
- 3. Minutes of the meeting on 21 October 2021: The minutes were agreed to be a true record and were signed as such by the Chair.
- 4. Updates or issues from the minutes of 21 October 2021: None.
- 5. To discuss updates to the Business Plan: It was agreed to rename the Business Plan as a Strategic Plan as members thought it included more detail than a typical business plan. It was agreed that the information contained in it gave residents useful background information about the Parish Council and its activities and it was important to keep this. It was agreed to change the date from 2021-24 to 2021-2023 so that an update would be required after the next election and would then follow the next four-year term of the Council.
- 6. To discuss updates to the Business Plan Action Plan: It was agreed to include the Action Plan on the agenda of each committee meeting so that it could be updated regularly. The Clerk agreed to update it with current actions following the latest committee meetings which took place in March. The Parish Council would then be able to monitor progress of each committee on a quarterly basis at Full Council meetings. This information would also be useful to members of the public so they could see how the Precept was being allocated and spent.
- 7. Councillor away day: The Clerk agreed to contact the District Council to see if they had a conference room that could be hired, and to ask either Andy Beams or Trevor Leggo to attend to give training, and to see if Nick Bennett was available to give a legal update to members.
- 8. Date of next meeting: The next meeting of the Committee is scheduled to be held on Thursday 20 October 2022 at 7pm.

Meeting closed at 7.45pm.

14 April 2022 Westbourne Parish Council Agenda item 16: Correspondence list

- Report from Cllr Hitchcock following attendance at a meeting of the Chichester District Association of Local Councils.
- Email from Cllr Kerry-Bedell asking the Parish Council to nominate whole lengths
 of road that suffer with worn or obscured road markings and green-weathered
 signs.
- Email about an electric vehicle charging point at the car park on Monk's Hill outside the recreation ground.
- Email from Gillian Keegan MP to inform that a box post is to be installed close to the old Post Office in Westbourne.
- Enquiries from three members of the public asking for more information about the increase in the Precept for 2022/23 with concerns generally about increase in the cost of living and the pressure this puts on some families.
