The lino in this area in particular leading to the fire escape door is old, worn in places and could in time be regarded as a possible hazard although at this moment in time that is not an issue, but it is certainly in need of replacement.</p> <p>We have already replaced all the windows in line with the original build, all fire safety signs and electrical work has been completed together with new lighting and a Fire Safety and Alarm system inspection has passed on all accounts. We have a</p> |

January 2023

Dear Sir/Madam

Consultation on highways issues on Whitechimney Row and East Street

Westbourne Parish Council is aware of a number of highway issues in Westbourne and would like to consult with residents on two issues relating to Whitechimney Row and the one-way section of East Street.

We would like to hear your thoughts and opinions on the issues outlined below so that they can be used in support of applications to West Sussex County Council for traffic regulation orders (TROs) which would propose improvements to the highway in these two locations.

We are aware that these are not the only highway issues in the village and we would like to hear from you about any other concerns you may have so that we can also put them forward to the County Council for possible consideration.

To help with the overall traffic situation in Westbourne, we have recently applied to the County Council to restrict HGVs over 7.5 tonnes travelling through the village without stopping to deliver. If the application is successful, signs would be placed at the entrances to Westbourne to deter such vehicles using Westbourne as a short-cut. The County Council is also reviewing speed limits across West Sussex (60mph to 50mph, 40mph to 30mph and 30mph to 20mph) which would help with the speed of traffic but this may not be implemented until 2024. The Parish Council is looking into the possibility of employing a parking enforcement officer to patrol for a short period of time on designated days and times. These measures should help the traffic situation in Westbourne in the next couple of years.

Whitechimney Row: Current situation

The road is increasingly gridlocked due to the volume of traffic, large lorries and recent A27 closures. Incidents of speeding have also increased, especially heading south out of Westbourne. It is hoped that the road will become 20mph from the bend at Old Farm Lane as part of the County Council's review of speed limits but this is unlikely to change until 2024. Congestion issues are caused by cars parking on the junction of Whitechimney Row and East Street. Some cars are regularly parked in the road over the white line that marks the safe pedestrian footway. Speed issues are caused by some drivers once they get past Whitechimney Row cottages where there are worn 20mph road roundels and sign markings indicating the 20mph speed limit are further south. We are aware this is a key route for young people walking and cycling to Bourne Community College.

Whitechimney Row: Proposed changes

We would like to submit a TRO to the County Council to request the following:

- Two new bollards at the Whitechimney Row/East Street junction.
- Paint new 20mph roundels and add a speed restriction table or chicane at the south entrance.
- White dotted lines included further out from the cottages on the west side of Whitechimney Row to provide safer walkways for pedestrians.
- Enforcement of 'no parking' in the white line marked pedestrian area. This would be requested with the TRO but we could include this as part of any additional parking enforcement that the Parish Council contracted.

One-way section of East Street: Current situation

Parking on the pavement and double yellow lines has caused damage to properties, restricts passage of vehicles, limits the road width for lorries and pedestrians are forced to walk into the road due to the narrow width of the current footpath. Vehicles parked close to properties also cause a danger to residents entering or exiting their properties. There have also been incidents of people driving the wrong way down the road despite clear 'no entry' signs and markings.

One-way section of East Street: Proposed changes

We would like to submit a TRO to the County Council to request the following:

- Repaint the double yellow lines and extend them to North Street.
- Widen the pavement to around 1.5m.
- Repair the cracked pavement.
- Install eight metal Glasdon bollards on the edge of the pavement to prevent parking.

Please send any comments you have on the proposals by **Friday 3 March 2023**, by:

- Emailing clerk@westbourne-pc.gov.uk
- Calling 07775 654 483
- Writing to Westbourne Parish Council, PO Box 143, Emsworth, PO10 9DX

Yours faithfully

Cllr Richard Hitchcock
Chairman of Westbourne Parish Council

Westbourne Parish Council, 12 January 2023
Agenda item 12: Annual review of fees and charges

1. Rents

In order to comply with Financial Regulation 9.3, the Council will review all fees and charges at least annually following a report of the Clerk.

The Clerk reports that there are three items in the Council's budget which are fees/charges. These are:

| | |
|--------------------------------------|---------|
| 1. Access licence – Mill Road | £0.00 |
| 2. Access licence – Sydenham Terrace | £200.00 |
| 3. Allotment Association rent | £500.00 |

To note: No 1. It was agreed in July 2022 to temporally suspend the access licence to 56 Mill Road in until it was clear what would happen to the land if the WCT's planning application was approved. No. 2 increased from £50 to £200 in 2017/18. No. 3 was reduced from £650 to £500 in 2018/19.

Members are asked to consider whether they wish to change any of these charges for financial year 2023/24.

2. Direct debits

The Clerk would like to bring to the attention of members the direct debits that are set up for the Council.

1. EE (Clerk's mobile phone on a monthly basis)
2. Information Commissioners Office (annual data protection fee paid every December)

Stand for election to be a parish councillor

Westbourne's nine parish councillor places will be up for grabs at the next election on Thursday 4 May.

If you are passionate about Westbourne, want to make a long lasting change, have new ideas for the Council, or have concerns about a specific issue and want to do something about it, then please stand to be a parish councillor.

Being a councillor is all about giving back to the community by bringing your energy, enthusiasm and ideas to make a difference to local people and how local matters are dealt with. You would support residents with issues, represent the views of local people to get Westbourne the right services and help shape plans for the Parish.

We need people from all backgrounds to represent the community. Training is available and you do not need any previous experience or qualifications. You would gain new skills and knowledge, and work with a range of people, community groups and organisations.

More information about being a parish councillor and the eligibility criteria is available at www.westbourne-pc.gov.uk

Election process

To stand in the Parish Council election, you will need to complete a nomination form which is available by emailing clerk@westbourne-pc.gov.uk or calling 07775 654 483.

The form should also be completed by two other people who live in the Parish to propose and second your nomination. It is then returned to the Returning Officer at Chichester District Council.

If more nominations are received than there are places available (for example more than nine nominations), an election would be carried out in the Parish. If the same or fewer nominations are received, councillors would automatically be elected to the Parish Council - known as co-opted - without a ballot taking place. If there are still vacancies after the election, the Parish Council would try to fill them as soon as possible. This is also known as co-option.

Parish councillors stand for a term of four-years, but sometimes vacancies do occur during this period. There are benefits to the Parish if more than two-thirds of council members are elected at an election and remain for the whole term of office. This means the Council qualifies for the General Power of Competence which gives it greater ability to do anything an individual could do, within the remit of other laws.

Make sure Westbourne gets the very best by standing for election.

Parish Council responsibilities

The Parish Council is democratically elected and is accountable to the local community. It is involved in the delivery of some services, works to improve the quality of life for residents and represents the voice of the community. Its work is wide and varied, and currently involves:

- Setting an annual Precept which is funding raised through Council Tax collected by Chichester District Council and spent on the running of the Council and its activities. The Council is audited annually by the government.
- Being a statutory consultee on local planning applications. It also has a Neighbourhood Plan to help plan local housing and protect the Parish – this will need to be updated soon.
- Managing two recreation grounds, play areas and defibrillators and organising community events.
- Managing Westbourne Cemetery jointly with Southbourne Parish Council. It is also responsible for the closed churchyard at St John's Church in Westbourne.
- Supporting the Bourne Community Bus and offering grants to other community initiatives.
- Working with the County Council and police on road and traffic issues and running a community speedwatch group.
- Renting land to Westbourne Allotment Association.
- Owning street lights, benches, bollards, noticeboards and other street furniture.
- Working closely with other parish councils, community groups and organisations.
- Employing staff and contractors to deliver objectives.

The current Council has written a business plan to direct work during their term of office. A first priority for the new Council will be to update the plan to set aims and objectives for their four-year terms of office.

Please stand for election to make sure you are at the heart of Council decisions and can influence its work to benefit Westbourne.

The role of a parish councillor

Parish councillors are community leaders who represent the interest of local residents by making recommendations and getting involved in decisions to make Westbourne a great place to live and work. You would be supported in your role and training is available through the West Sussex Association of Local Councils. You should be comfortable working electronically, have a positive outlook, a can-do attitude and willing to work as part of a team.

The Parish Council meets 11 times a year in the evening of every second Thursday of the month, except in August. There are also six committees which meet regularly for more detailed discussion on matters. Councillors are invited to join the committees depending on their particular interests and availability.

A precept to improve facilities

In January 2023, the Parish Council agreed to set a Precept of £X for financial year 2023/24 to continue to provide services and facilities in the Parish. The Precept in 2022/23 was £115,437. This represents an increase of X% for a Band D property, which is £X in case terms.

Cllr Richard Hitchcock, Chairman of the Parish Council, said: "We have carefully looked at the budget to balance rising costs and the need to continue to deliver services against the current economic climate and the financial pressures faced by many. We have kept the Precept below the rate of inflation and will still be able to run two recreation grounds, play areas and a cemetery, deliver highways schemes, provide community infrastructure and offer small grants to local initiatives."

Further details of the budget can be found at www.westbourne-pc.gov.uk

Spring Clean Day, Sunday 2 April

We are will be holding our annual Spring Clean Day on Sunday 2 April and residents are invited to come along and help collect litter around the village. It's a great opportunity to meet others and contribute towards making the village an even nicer place to live.

Please meet us at The Square at 2pm on Sunday 2 April, finishing at 4pm for refreshments at The Meeting Place in North Street. Litter picking tools, protective gloves, fluorescent vests and plastic sacks will be provided.

Guest speakers wanted for Annual Parish Assembly

We're looking for a guest speaker for Westbourne's Annual Parish Assembly which will take place on Thursday 20 April at 7pm at The Meeting Place in North Street. Please get in touch if you have an interesting story to share, would like to promote a community initiative or if you can recommend someone or a local organisation.

Residents are invited to attend the event where other local organisations and community groups will be present. There will be an interval after the guest speaker with cheese, wine and other refreshments served. The event will celebrate local achievements and share information about the Parish. Please put the date in your diaries!

Consultation on highways issues on Whitechimney Row and East Street

We are aware of a number of highway issues in Westbourne and would like to consult with residents on the following.

Whitechimney Row: Proposed changes

We would like to submit a traffic regulation order to the County Council to request:

- Two new bollards at the Whitechimney Row/East Street junction.
- Paint new 20mph roundels and add a speed restriction table or chicane at the south entrance.
- White dotted lines included further out from the cottages on the west side of Whitechimney Row to provide safer walkways for pedestrians.
- Enforcement of 'no parking' in the white line marked pedestrian area. This would be requested with the TRO but we could include this as part of any additional parking enforcement that the Parish Council contracted.

One-way section of East Street: Proposed changes

We would like to submit a traffic regulation order to the County Council to request:

- Repaint the double yellow lines and extend them to North Street.
- Widen the pavement to around 1.5m.
- Repair the cracked pavement.
- Install approx. eight metal Glasdon bollards on the edge of the pavement to prevent parking.

Please send any comments you have on the above by **Friday 3 March 2023** to clerk@westbourne-pc.gov.uk, 07775 654 483 or Westbourne Parish Council, PO Box 143, Emsworth, PO10 9DX.

Introduction

These model standing orders update the National Association of Local Council (NALC) model standing orders contained in “Local Councils Explained” by Meera Tharmarajah (© 2013 NALC). This publication contains new model standing orders which reference new legislation introduced after 2013 when the last model standing orders were published.

How to use model standing orders

Standing orders are the written rules of a local council. Standing orders are essential to regulate the proceedings of a meeting. A council may also use standing orders to confirm or refer to various internal organisational and administrative arrangements. The standing orders of a council are not the same as the policies of a council but standing orders may refer to them.

Local councils operate within a wide statutory framework. NALC model standing orders incorporate and reference many statutory requirements to which councils are subject. It is not possible for the model standing orders to contain or reference all the statutory or legal requirements which apply to local councils. For example, it is not practical for model standing orders to document all obligations under data protection legislation. The statutory requirements to which a council is subject apply whether or not they are incorporated in a council's standing orders.

The model standing orders do not include model financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a council, include most of the requirements relevant to the council's Responsible Financial Officer. Model financial regulations are available to councils in membership of NALC.

Drafting notes

Model standing orders that are in bold type contain legal and statutory requirements. It is recommended that councils adopt them without changing them or their meaning. Model standing orders not in bold are designed to help councils operate effectively but they do not contain statutory requirements so they may be adopted as drafted or amended to suit a council's needs. It is NALC's view that all model standing orders will generally be suitable for councils.

For convenience, the word “councillor” is used in model standing orders and, unless the context suggests otherwise, includes a non-councillor with or without voting rights.

A model standing order that includes brackets like this ‘ () ’ requires information to be inserted by a council. A model standing order that includes brackets like this ‘ [] ’ and the term ‘OR’ provides alternative options for a council to choose from when determining standing orders.

1. Rules of debate at meetings

- a Motions on the agenda shall be considered in the order that they appear unless the order is changed at the discretion of the chairman of the meeting.
- b A motion (including an amendment) shall not be progressed unless it has been moved and seconded.
- c A motion on the agenda that is not moved by its proposer may be treated by the chairman of the meeting as withdrawn.
- d If a motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a motion. It shall not negate the motion.
- f If an amendment to the original motion is carried, the original motion (as amended) becomes the substantive motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless early verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his own motion if agreed by the meeting. If a motion has already been seconded, the amendment shall be with the consent of the seconder and the meeting.
- i If there is more than one amendment to an original or substantive motion, the amendments shall be moved in the order directed by the chairman of the meeting.
- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chairman of the meeting.
- k One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive motion.
- m The mover of an amendment has no right of reply at the end of debate on it.
- n Where a series of amendments to an original motion are carried, the mover of the original motion shall have a right of reply either at the end of debate on the first amendment or at the very end of debate on the final substantive motion immediately before it is put to the vote.

- o Unless permitted by the chairman of the meeting, a councillor may speak once in the debate on a motion except:
 - i. to speak on an amendment moved by another councillor;
 - ii. to move or speak on another amendment if the motion has been amended since he last spoke;
 - iii. to make a point of order;
 - iv. to give a personal explanation; or
 - v. to exercise a right of reply.
- p During the debate on a motion, a councillor may interrupt only on a point of order or a personal explanation and the councillor who was interrupted shall stop speaking. A councillor raising a point of order shall identify the standing order which he considers has been breached or specify the other irregularity in the proceedings of the meeting he is concerned by.
- q A point of order shall be decided by the chairman of the meeting and his decision shall be final.
- r When a motion is under debate, no other motion shall be moved except:
 - i. to amend the motion;
 - ii. to proceed to the next business;
 - iii. to adjourn the debate;

- s Before an original or substantive motion is put to the vote, the chairman of the meeting shall be satisfied that the motion has been sufficiently debated and that the mover of the motion under debate has exercised or waived his right of reply.
- t Excluding motions moved under standing order 1(r), the contributions or speeches by a councillor shall relate only to the motion under discussion and shall not exceed four minutes without the consent of the chairman of the meeting.

2. Disorderly conduct at meetings

- a No person shall obstruct the transaction of business at a meeting or behave offensively or improperly. If this standing order is ignored, the chairman of the meeting shall request such person(s) to moderate or improve their conduct.
- b If person(s) disregard the request of the chairman of the meeting to moderate or improve their conduct, any councillor or the chairman of the meeting may move that the person be no longer heard or be excluded from the meeting. The motion, if seconded, shall be put to the vote without discussion.
- c If a resolution made under standing order 2(b) is ignored, the chairman of the meeting may take further reasonable steps to restore order or to progress the meeting. This may include temporarily suspending or closing the meeting.
